| Ongoing | 6. Chief Executives commit to their agencies updating their special conditions for NZS 3910 and CCCS to align with industry wide updates | Agreed | In Principle - subject to reviewing changes | In Principle - subject to reviewing changes | In Principle - subject to reviewing changes | In Principle - subject to reviewing changes | In Principle - subject to reviewing changes | Agreed |

1. In relation to Commitment 1, Te Whatu Ora have advised that progress is delayed due to the work to consult on the proposed operating model across the regions.
2. In relation to Commitment 3, agreed in principle reflects agency feedback that this will be based upon the outcome of the update of All of Government special conditions for CCCS. The review of All of Government special conditions commenced in June 2023.
3. In relation to Commitment 5, the updated NZS 3910 is due to be released in December 2023.
